

The Healthcare Village.

An invitation to physicians.

We're proud to announce the 2006 development of an 80,000 SF medical office building at CHRISTUS SPOHN Hospital—Shoreline. With linked imaging and diagnostics, and outpatient specialty services that include an ambulatory surgery center, it's shaped as a single-stop address for your patients. Another step in developing excellence. For leasing information, please call David Mott, Alter+Care, at 800-637-4842 ext. 5885.
